

The next meeting of the Bergenfield Garden Club will be on October 10, 2016 at 7:30pm. The location is in the Cooper's Pond Building. Light refreshments will be served. Members and potential new members are invited to attend.

There is a \$15 fee to join the Garden Club annually. This October meeting will have an excellent guest speaker. Mr. Macku will give a presentation entitled "SUITABLE ORCHID PLANTS FOR HOUSEHOLD CULTIVATION". Very popular orchid genera such as Phalaenopsis, Cattleya, Paphiopedilum, Dendrobium, and Oncidium will be discussed for best cultivation and blooming results. Other genera such as Cymbidium, recommendations on where to search for information (on orchid cultivation) and to purchase particular kinds of orchid plants will be discussed. Please join us!
