

Free Rabies Shot Program in Bergenfield

Monday, 30 December 2013 15:21

The Bergenfield Health Department will conduct its annual rabies vaccination programs and license renewals for cats and dogs on Tuesday, January 14th, 4PM to 6PM and Tuesday, January 21st, 6PM to 8PM at the Department of Public Works Garage. The DPW garage is located directly behind the Bergenfield Borough Hall at 198 North Washington Avenue. All dogs must be leashed and cats should be in an approved animal carrier for their safety.

Dogs and cats may be vaccinated as early as three months of age and **MUST** be re-vaccinated within one year after the animal's initial immunization. After that, the animal is required to be revaccinated every three years.

IMPORTANT: If your pet's rabies vaccination expires anytime in 2014 you still must license your pet in January of 2014. This means that your pet must be revaccinated earlier but it will not harm the pet.

Further questions can be directed to the Bergenfield Health Department at 201-387-4055 Ext. 5.
