

## **Flu Vaccine at the Health Department**

Friday, 10 October 2014 11:31

---

The Quadvalent Influenza vaccination is now available at the Bergenfield Health Department.

The Health Department will no longer submit reimbursement to Medicare. A receipt will be given for self-submission to your health insurance. The fee for the vaccination is \$15 for all residents. The fee for vaccination is being offered to residents from age 6 months and older. An adult must accompany children under the age of 18 years during vaccination. Vaccination will be scheduled by appointment only. Home bound residents may contact the Health Department to schedule an in home vaccination at no extra charge. Please contact the Bergenfield Health Department nurse to schedule your flu vaccine for 2014-2015 Influenza season.
