

## Dog/Cat Census 2015

Thursday, 16 July 2015 09:42

---

Census workers will be going door to door during the month of August in Bergenfield searching for unlicensed cats and dogs. The information will be collected and returned to the Bergenfield Health Department for follow-up. The census workers will have identification and can provide licensing forms as they canvas the town.

All dogs and cats must be licensed in the Borough of Bergenfield as a precaution against rabies. All dogs and cats should have already been licensed for 2015. If you failed to do so, please comply as soon as possible. The licensing period runs from January 1st through December 31st each year.

For further information, please contact the Bergenfield Health Department at 201-387-4055 Ext. 5.
