

The Bergenfield Health Department will host an Adult Health Screening Clinic for Bergenfield residents at no cost. The public health nurses of Bergenfield and the Blue Cross Blue Shield Community Outreach staff will screen each participant for hypertension, high blood sugar and cholesterol levels. In addition, skin cancer education will be discussed. The date of this health promotion will be Wednesday, August 19, 2015. Appointments are being scheduled between the hours of 10am to 2pm for residents 18 years old and older. The screening will be located in the Community Health Rooms located on the second floor of Bergenfield Borough Hall, 198 N. Washington Avenue. Please call the Health Department to schedule your screening: 201-387-4055 ext. 5.
